

Membership Application

The Patriot Daylily Society meets the first Saturday of most months, noon to 3:00 PM, usually in Bedford, Massachusetts, at the Bedford Library. Learn all there is to know about daylily culture and how to create your own daylily seedlings for your own garden. We are a registered 501(c)3 non-profit organization. Some benefits of membership in the Patriot Daylily Society include our programs, photo contest/calendar and garden tours, as well as our web site at <http://patriotdaylilysociety.org>. Monthly e-mail reminders are sent out with meeting details. Members are welcome to have photos of their gardens as well as their seedlings and introductions posted on our web site, with links to their own web sites.
